

## Big Dummy Neidhardt's Rants

---

### No Interest in 3D, Seriously

December 11th, 2008

**Neidhardt:** Alright, 2D girls, get over here to me!

**Seira:** Wow, you're already going full throttle right at the start of your blog, huh?

**Neidhardt:** Yo, Seira-tan! I decided to start a blog. I want you to support me. Is that cool?

**Seira:** Sigh I guess I don't have a choice. But it's not like I'm helping *you* or anything, ya big dummy!

**Neidhardt:** That's my waifu for ya! Anyways, this season's Blood Tune is totally GOD-tier, you know? (Mostly 'cause of Seira-tan's panty shots, tee hee).

**Seira:** Hmph, you're always looking at stuff like *that*? You're such a pervert, Neidhardt! I'm gonna punish ya with my Samurai☆Condenser! Uryaaah!

**Neidhardt:** Guh-buh?! [*Violently Coughing Up Blood*]

**Seira:** Whew, that felt good! Anyways, Neidhardt, why the heck do you go by Neidhardt?

**Neidhardt:** S-Seira-tan, you're the MC now, remember...? Neidhardt is my handle, see? My ESO avatar is this name too.

**Seira:** Okay, so spill the deets. What are your stats and stuff?

**Neidhardt:** Aight, here ya go!

**Name:** Neidhardt

**Class:** Paladin

**Level:** 50 (MAX)

**Appearance:** Soft blonde hair. Heterochromia (one red eye and one blue). Has delicate, almost feminine features, but rarely smiles, giving off an unapproachable aura. Not muscular, but can wield a greatsword with ease.

**Personality:** A holy knight with a dark hero vibe. Of course, he's not actually a gloomy guy, just very stoic. He's often misunderstood. He hates anything twisted and shows extreme rage towards evil. Deep down, he has a hidden past involving a certain woman...?

**Weapon:** Holy Sword Galleria-Hard

**Skills:**

- \* Level 1: "Form 12 - Shattering Light (Juunishiki - Saikou)"
- \* Level 2: "Form 69 - Phoenix Surge (Rokujuukyushiki - Hououshoudo)"
- \* Level 3: "Form 3 - Final Memory (Sanshiki - Tsuioku)"
- \* Super Move: "Form 0 - Nameless (Zlewd stuffshiki - Mumei)"
- \* Ultimate Secret Art: "Form-Less - Thousand Worlds Gale Lightning (Mushiki - Sanzen Sekai Shippu Jinrai)"

**Seira:** About half of this is your own original crap, dude. I think there's way too much to comment on, here.

**Neidhardt:** What are you talking about? That's a totally perfect profile, I think!

**Seira:** Who's this "certain woman"? And your attack names sound like a total case of chuuni-byou, ya know? Why is the sword name Western while the attacks are in old-timey Kanji? And didn't ESO have ultimate secret arts?

**Neidhardt:**...Anyways, if you're playing ESO, then you'll definitely know the name Neidhardt, the Gale Lightning Knight!

**Seira:** What do you mean "Anyways"? You totally ignored all my comments, you jerk!

**Neidhardt:** It's *my* avatar, so I can make it however I want, okay! It's *my* avatar, so I can make it however I want, okay!

**Seira:** You said that twice, so it must be important. Fine. I'll ignore this too. But wait, you're famous, huh?

**Neidhardt:** Well, yeah. I have over 100 friends on my FrePara friends list. Oh, and I'm the admin for the Blood Tune community too. That's how deep my love for you is, Seira-tan.

**Seira:** In a panty-shot kinda way?

**Neidhardt:** N-No, that's not it... (*Looks away nervously*)

**Seira:** You're such a dummy, Neidhardt!

**Neidhardt:** Gurgle-blargh?! [*Violently Coughing Up Blood*]

**Seira:** So, that's how this blog thing's gonna go, apparently. If you can't keep up, too bad, is what Neidhardt says.

**Neidhardt:** Seiraaa~ I'm seeing stars, Seiraaa~

**Seira:** He's in this state because I beat him up. So, that's all for today. See ya, big dummy!

## But I Refuse!

*December 18th, 2008*

**Seira:** Hey, hey, Neidhardt. We've gotten requests to do mutual links, you know? Two of them! Let's see... The blogs are called "Energetic Bishi!" and "Seven Sea" Hmm... Both blog owners are high school girls... Neidhardt, you're popular.

**Neidhardt:** But I refuse!

**Seira:** Eh? Why? Oh, are you, perhaps, being considerate of me...?

**Neidhardt:** It's not about being considerate, I've always said I'm not interested in 3D, haven't I? I only have eyes for Seira.

**Seira:** W-what are you saying out of nowhere! ...But, hmm, is that so?

Ehehe☆

**Neidhardt:** Well, who would link to a real life chick's (lol) "sweet" blog, lol. Go look in the mirror and come back again, fuhifi lol.

**Seira:** But you're actually acquainted with those "sweet" blog owners, right?

**Neidhardt:** I don't want to think of those "sweet" people as my acquaintances. Whether they are acquaintances or not, I'm not going to deal with people with that sort of "slow" brain that brings their offline relationships online lol. Sorry lol.

**Seira:** Today, Neidhardt is a... a *man*...!

A fuzzy cute outfit that'll catch your boyfriend's eye on Christmas eve (lol)

**Seira:** Neidhardt, where did you come up with all of that?

**Neidhardt:** Real life people and those bitches can all die. What's so holy about holy night? It's "horny night" by mistake, you scrubs.

**Seira:** Did you, perhaps, not get any invites? Not just from girls, but even from guy friends?

**Neidhardt:** My plans for Christmas Eve have been decided a long time ago. I won't forgive anyone who tries to mess with them. Absolutely.

**Seira:** Plans, like what?

**Neidhardt:** It's obvious, I'm gonna spend it with Seira-tan!

**Seira:** Eh? Me!?

**Neidhardt:** Cover the walls of my room with Seira tapestry and *Blood Tune* posters, hold Seira dakimakura in my arms, watch *Blood Tune* from episode 1, while celebrating with a cake and champagne. If you're an otaku, you gotta do at least this much.

**Seira:** H-humph, you're such an idiot. Even if you put a cake in front of your PC monitor, I can't blow out the candles or eat the cake. Because I'm just a picture...

**Neidhardt:** No, Seira isn't a picture. Seira is my wife!

**Seira:** Neidhardt... Th-thanks / / /

Fine, I'll keep you company tonight. You should be grateful / / /

**Neidhardt:** "And that night, we became one. Seira-tan revealed herself to me and"

**Seira:** What are you saying out of nowhere with that narration, Big Dummy!!

## **Blood Tune Episode 12 Review**

*December 27th, 2008*

**Neidhardt:** YAMATAKU IS A GOD!!1!!! Yamataku's work is the best in the wooooorld!1!!1!

**Seira:** What happened all of a sudden?

**Neidhardt:** I got too excited at how godly Blood Tune episode 12 was! (In a sexual way)

**Seira:** Hmm, sexual, huh? You're still saying that kinda stuff... (slowly pulls out her Samurai☆Condenser)

**Neidhardt:** Fuhifi lol sorry lol, I'm kidding please forgive me lol. But it's a fact that episode 12 was a god-tier episode. The real-time thread on the message board was incredibly hyped. Especially the quality of Seira-tan's awakening scene.

**Seira:** You're all moony-eyed over me?

**Neidhardt:** Of course I am, duh. It was 1.5 times more lewd stufftic than usual. I was panting at Seira-tan's curvaceous body. I replayed that scene 30 times in slow-mo. I stopped the video on the second Seira-tan went naked, and stared at it for over a minute.

**Seira:** Neidhardt, you're just interested in lewd stuff after all.

**Neidhardt:** That's not true. There were a lot of other highlights besides the awakening scene.

**Seira:** This week's episode was when I finally had a fated showdown with Sedna, then we had the appearance of a new enemy, and then the princess's identity was revealed. It was an episode with dramatic story movements.

**Neidhardt:** I watched Seira-tan getting destroyed by Sedna at the start of the episode, and I thought to myself, "Sedna GJ on that one thing only!" (←total scum, I know)

**Seira:** I was in so much pain and you were being so mean...

**Neidhardt:** Hey, I was cheering for Seira-tan, of course. But, if I'm being honest, I got too distracted by Seira-tan's panties and sideboob to focus lol.

**Seira:** So, you were just interested in lewd stuff again, Big Dummy!

**Neidhardt:** But it's because Seira-tan got beaten up at the beginning that the awakening scene after the commercial break, and then the Idano Circus Battle was so awesome! Awakened Seira is so strong! It gave me goosebumps! And for Yamataku to bring Idano into the direction at this point is just amazing lol.

**Seira:** I don't remember much from that time. Ehe☆

**Neidhardt:** It was like you were in "that thing about Krillin" mode. In any case, Sedna was a one-shot kill. Sedna's design isn't bad, but I can't seem to like her. She's kinda like a jobber. Well, she'll become Seira's ally later, it's a given.

**Seira:** More importantly, isn't Susumu becoming a non-entity?

**Neidhardt:** I don't care about Susumu. Susumu can die. Seira is my wife.

**Seira:** You're so cold towards male characters, Neidhardt (lol).

**Neidhardt:** So, we're at the halfway point of the second cour, and before we enter the "Fist Fight·Space" arc, the next episode will be a beach vacation, a swimsuit episode.

**Seira:** You're already excited fantasizing about my swimsuit, aren't you?

**Neidhardt:** Well, I don't know. If next week's animation is as godly as this week, I'll be waiting fully naked in a seiza position, but there's a jinx for swimsuits episodes that says "the animation will be bad."

**Seira:** That's a jinx? So does that mean that I might turn into a cabbage too?

**Neidhardt:** Still, Yamataku... Yamataku will pull through...

## I Don't Have Clothes to Wear for the First Shrine Visit

December 31st, 2008

**Neidhardt:** Warriors who went to Ariake, good work.

**Seira:** Oh, you mean that annual event! Neidhardt, you didn't go?

**Neidhardt:** There's way too many people. I don't feel like going... I seriously respect the lewd fans who line up for hours in that freezing cold.

**Seira:** So you don't want any doujinshi, then? That's not good for an otaku.

**Neidhardt:** Don't worry, I've already preordered the Seira-tan doujinshi online.  
(`▽^\*)ハアハア

**Seira:** H-hold on! Why are you panting there! Is it lewd stuff again?!

**Neidhardt:** Of course it's lewd stuff, what else? Because of anime effect, there are so many more *Blood Tune* fanfiction this year. Even famous circles are doing them, so I'm good for a while... fuhiih

**Seira:** Who are you even fighting against...?

**Neidhardt:** It's really convenient these days. The day after the event, the doujinshi are already lined up in Akihabara shops. You can also order online. The era of actually going to the venue is over. Not that I've ever actually gone.

**Seira:** I feel like you're lacking in otaku passion.

**Neidhardt:** It's not like you're more passionate if you like going to the venue. I have my own way of doing things. Oh, I gotta show my face at the enthusiast new year's countdown event. After all, I am the Lightning-Fast Neidhardt. For lewd things ( `・ω・' )

**Seira:** New Year's countdown with enthusiasts? You're not going for the first shrine visit of the new year?

**Neidhardt:** I don't have clothes to wear for the first shrine visit.

**Seira:** Then you can go to Uniqlo or Shimamura and buy clothes! You have money, Neidhardt.

**Neidhardt:** I don't have clothes to wear to Uniqlo or Shimamura.

**Seira:** No way! For example, you have that *Blood Tune* sweatshirt with my face printed on it!

**Neidhardt:** No way I'd wear that!

**Seira:** You have three of the same one?

**Neidhardt:** One for display, one for storage, and...

**Seira:** The one to wear, right?

**Neidhardt:** ...For *adoring*, if you know what I mean.

**Seira:** Neidhardt, you're such a perv! (Flying Kick)

**Neidhardt:** Thanks! (Concussion)

**Seira:** Haa... You're still like this even at the end of the year, Neidhardt, you're such a Big Dummy! Well, happy new year everyone! This was Seira Orgel ☆

## Akihabara Expedition and Brief Review of *Blood Tune* Episode 13

January 9th, 2009

**Neidhardt:** I went to Akihabara today.

**Seira:** Oh? Neidhardt, I didn't think a Paladin like you would go to Akihabara. Oh, I get it. It was Neidhardt's "person inside," right? You should've said so from the start, Big Dummy.

**Neidhardt:** T-there is no "person inside!"

**Seira:** Sure, sure. So, what kind of ecchi doujinshi did you buy in Akihabara?

**Neidhardt:** Whoa, how did you see through me buying doujinshi!?

**Seira:** All you buy in Akihabara is doujinshi, lewd stuffge, and figures.

**Neidhardt:** As expected of my wife, she sees through everything. Well, I usually buy everything online.

**Seira:** Then why go to Akihabara today?

**Neidhardt:** Because I heard that my favorite artist, Tou Matasema, released a new *Blood Tune* doujinshi.

**Seira:** Hmmm... hey, Neidhardt, can you tell me what kind of doujinshi is it?

**Neidhardt:** It's a doujinshi of Seira-tan getting subjected to a lot of nasty, gooey stuff by a bunch of guys (´∀｀\*)ハアハア

**Seira:** Garickson! (Special Attack Name)

**Neidhardt:** Obeeeeeragya! (All bones broken)

**Seira:** Neidhardt, you call yourself a stoic paladin, but you're a total perv!

**Neidhardt:** T-this is the "person inside's" hobby...

**Seira:** You said there is no "person inside" just now.

**Neidhardt:** Putting that aside, let's do a quick review of this week's *Blood Tune* episode 13.

**Seira:** Whenever things get inconvenient, you just ignore my tsukkomi...

**Neidhardt:** This week was half-expected, half-worrisome swimsuit episode, and as expected, Yamataku screwed it up...orz

**Seira:** Ah, the animation... It seems *Blood Tune* couldn't escape the jinx. At least it didn't turn into a cabbage, but the animation was kinda unstable this week.

**Neidhardt:** Well, the staff put in way too much effort on the part where Seira-tan's swimsuit comes off, lol. They even used Urushino on that part alone, lol. Your face turned into an Urushino character, lol. But that's good lol.

**Seira:** I got kinda thicc in that scene...

**Neidhardt:** Thicc, more like, your boobage was ridiculous lol. It looked twice as big as in episode 12! Urushino GJ!

**Seira:** Seriously, staff, please have some self-control! And Neidhardt, don't get excited!

**Neidhardt:** I've already capped that scene and saved it at the speed of light, thank you very much, lol!

**Seira:** O'Bando! (Special Attack Name)

**Neidhardt:** Narukorepsy! (Eternal Sleep)

## **Blood Tune Episode 14 Review**

*January 16th, 2009*

**Neidhardt:** Congrats! We've entered the second cour! Seira!  
It's me! Marry me!

**Seira:** What's wrong, why are you so excited?

**Neidhardt:** How can I *not* be excited? We've finally entered the "Fist Fight·Space" arc! We're gonna see Seira-tan fight against hordes of enemies in space with her Bushido☆Transistor!

**Seira:** Bushido☆Transistor is an upgraded version of my club. Before awakening, I used Samurai☆Condenser, but after that, I get a new weapon!

**Neidhardt:** Seira-tan, it's a magic stick, not a club.

**Seira:** Don't sweat the details. But even though we entered the "Fist Fight·Space" arc, this week's episode 14 was just all baseball.

**Neidhardt:** That was just a connecting episode to set up the plot. But the enemies are definitely coming, Sedna became an ally, and there was a new character. I'm looking forward to next week!

**Seira:** That new character was that little lolita girl from the enemy side...  
Yuno, was it?

**Neidhardt:** Actually, there's an astonishing secret between Yuno and Seira.

## 1/7 Seira Orgel Swimsuit Version Review

January 23rd, 2009

**Neidhardt:** The long-awaited Seira-tan swimsuit version figure finally arrived, and it's just... so obscene (´∀｀\*)ハアハア

**Seira:** Di Stéfano! (Special Attack Name)

**Neidhardt:** *BLEH!* (Spits blood) S-Seira-tan, you're going all out from the start today...

**Seira:** If you stare at my swimsuit like that, analyzing every inch of me, and then start panting, anyone would want to punch you.

**Neidhardt:** Sorry lolol, fuhiihi, but I'm seriously excited! It's that white swimsuit from the swimsuit episode in last week's *Blood Tune!* The design was there since the original, and they decided to make a figure even before the anime aired. It's no coincidence that they released it now. The people involved definitely did this on purpose lol

**Seira:** And Neidhardt got caught hook, line, and sinker.

**Neidhardt:** I wasn't "caught," I preordered this before the anime even aired, what do you think?

**Seira:** As expected of Neidhardt, there's a burning... So, how is the figure anyway?

**Neidhardt:** It was just as expected. Like I said, the exposure is insane. The swimsuit fabric is way smaller than I thought. Seira-tan's hyperboobs look like they're about to burst out (´∀｀\*)ハアハア

**Seira:** Hey! No panting!

**Neidhardt:** No way, I won't listen to even you on this! Why would I pant? Because the figure's right there! These healing goddesses, born in this brutal

modern world. They're denizens of a 2.5D utopia, existing on the border between real life and fiction, and they are my hope for survival! And right now, the one shining most brilliantly is Seira-tan!

**Seira:** Eh, w-well, even if you give me all those compliments, I'm not gonna forgive your perverted acts so far, got it?! B-but, I think I get how you feel, so... maybe you can pant *just a little*...

**Neidhardt:** And the point of this swimsuit figure is the sexiness of the white swimsuit! It's so well-made that it almost looks transparent! That's seriously awesome!

**Seira:** I said you could pant, but don't go taking close-up shots of my crotch, okay?!

**Neidhardt:** Ah, I'm not planning on posting any pics on the blog, lolol. I'm taking pics with my digital camera for my personal use lol

**Seira:** Personal use, like what?!

**Neidhardt:** The way the wrinkles form and how it clings to her butt is just too real! And of course, that thing is standard equipment too...

**Seira:** That *thing*...? You mean pussy?!

**Neidhardt:** Well, the manufacturer is called "Mega Waraos," so it's pretty much a given that it'll be there. Rather, I wanna question them for a good hour why they didn't make this swimsuit cast-offable. They went that far with the cast-off (plus the super-realistic pussy) with the "Magical Girl Pastel ♪" series, why didn't they do it with Seira!?

**Seira:** Di Stéfano! (Same special attack name)

**Neidhardt:** *Eidorian!* (Spits blood)

**Seira:** If I let him talk any longer, he'll just keep spewing banned words, so I'll shut him up for a while. So, to all the gentlemen reading this blog, I

recommend getting my swimsuit version figure too. But no panting, okay, Big Dummy ☆

## **Blood Tune Episode 16 Review (R-rated)**

*January 30th, 2009*

**Seira:** Ugh, I've had it. In the latest *Blood Tune* episode 16, I had to fight against a tentacle monster, you know? And it was the second week in a row! My clothes got ripped, I felt my chastity was in danger, it was a pretty danglewd stuffus scene. I mean, "What lewd stuffge is this?!" It's like Yamataku is going overboard doing that stuff on broadcast television. No wonder people say he's not "cut out to be a director," Big Dummy!

**Seira:** ...Huh? Neidhardt, you're really quiet today. Usually you'd be shouting "Yamataku, GJ!" or "Yeah, give me more!"

**Neidhardt:** It seems Seira-tan doesn't understand. About why I skipped last week's *Blood Tune* episode 15 review.

**Seira:** Because it was a pain?

**Neidhardt:** Reviewing anime isn't a pain. I just write down all my overflowing lust for 2D girls... I mean, my burning passion for it.

**Seira:** So you're just tired of *Blood Tune*?

**Neidhardt:** No! Not at all! My love for Seira-tan is much deeper than that!

**Seira:** Then what is it~?

**Neidhardt:** Tentacle Play (^△^) IS NO GOOD!

**Seira:** Oh, I see. Both last episode and this episode had tentacle humiliation near-miss scenes, huh? I guess that's understandable— wait, whaaaaaa?! Are you rejecting *that* tentacle play, a form of art that all otaku should be into!?

**Neidhardt:** What's "artistic" is when they say "It's frustrating, but I'm starting to feel it" and "kupa," but tentacle play isn't art.

**Seira:** I don't quite get the standards... f-fine, whatever. Neidhardt, you're gonna make enemies with all the tentacle fans. Apologize! Apologize to Hokusai! Google "The Dream of the Fisherman's Wife!"

**Neidhardt:** I like pure love games more than humiliation games, anyway. It's not about lewd stuff, it's about life. It's literature!

**Seira:** Hmph, trying to sound cool. Oh, but that means you didn't see me in those embarrassing situations then, right? That's a relief...

**Neidhardt:** Nah, I was watching with all my might LOL Yamataku GJ!! LOL Yeah, give me more! Seira is so hot Seira LOL Fuhifi LOL

**Seira:** Just look at what we've got here! (Full Swing)

**Neidhardt:** Bobeeelaaah! (Blown away to the heavens)

## **Blood Tune Episode 17 Review (R-rated)**

*February 6th, 2009*

**Seira:** Hey, you know, this blog's been getting a bit too spicy lately, don't you think?

**Lightning-Fast Neidhardt:** Spicy how?

**Seira:** Don't play dumb, Big Dummy! You're writing about tentacles and stuff! Neidhardt, you need to be more selective with your topics! This is gonna get us a R-rated rating!

**Neidhardt:** Pretty sure we *already* have it ( `·ω· ' )

**Seira:** 5pb. and Nitroplus... now those are some *real men*... !

**Neidhardt:** Heh, so, Seira-tan, do you think any 3D chicks are actually reading this R-rated otaku blog?

**Seira:** W-well, I dunno. You're a hlewd stuff to the enthusiasts, so there might be one or two Neidhardt fans, maybe?

**Neidhardt:** Well, let's say some chick with a *really* weird taste does exist. Do you think I'd be talking about "real life" stuff with her?!

**Seira:** N-not at all...

**Neidhardt:** I'm not gonna pander to the "sweet" crowd either. Real life and real life *fanatics* can go write in the Taboo!! comments section, lol. So, this time around, I'm gonna be doing a review of *Blood Tune* episode 17, and talking *passionately* about foot worship.

**Seira:** Ugh, I can't with this blog \(^o^)/

**Neidhardt:** The reason "foot worship" came up all of a sudden is because in this week's *Blood Tune* episode, Seira-tan accidentally steps on Susumu's

crotch. Which I find very envy-inducing, btw. I was definitely able to savor that precious low-angle panty shot of pre-transformation Seira-tan, but why the heck was she wearing loafers?! Yamataku doesn't get it! I'm in despair! Despair for Yamataku!

**Seira:** Hey Neidhardt, wanna try letting *me* step on you?

**Neidhardt:** You bet I do! But you gotta take off your loafers and socks first.

**Seira:** You're despairing because I didn't take off my loafers? What's the big deal?

**Neidhardt:** There's no love there! In the position of foot worship—where the woman is absolutely dominant—taking off shoes is an act of kindness and love that a woman shows within her sadism!

**Seira:** I dunno what you're talking about (‘·ω·’)

**Neidhardt:** Well, whether or not they take their socks off is a matter of debate. There's a bloody argument happening about it right now. But I'm definitely on the "socks off" side.

**Seira:** I'll ask, but what difference does it even make?

**Neidhardt:** It's about the *lewd stuffs* of skin-to-skin contact! Plus, with socks, the soles of their feet would be a bit warm and moist (‘∀`\*)＼＼＼＼＼

**Seira:** Don't write "warm and moist" in hiragana!

**Neidhardt:** And to top it all off, the tiny bits of lint from the socks stuck between their toes adds a tremendous feeling of forbiddenness...

**Seira:** Big Dummy, Stomping from Choshu! (Stomps crotch with all her might)

**Neidhardt:** Σ (°Д°;)

**Neidhardt:** ( °д°)

**Neidhardt:** ( °д;:....

**Neidhardt:** ( :;.....;.. ::;... ...

**Neidhardt:** I'M IN DESPAIR! I'M IN DESPAIR BECAUSE THE "Footjobs with Socks On" CROWD IS THE OVERWHELMING MAJORITY!

**Seira:** Hey! Bokenasu! On this special occasion, why are you saying something so stupid?! Today's the release date for *CHAOS;HEAD NOAH*!

**Neidhardt:** Ah, yeah, that's right! It's release day, woohoo! Seira-tan's route is FINALLY HERE! YEEEEESSSS!!!

**Seira:** Huh? There's no route for me.

**Neidhardt:** Nani?! So, they add a route for some random 3D girl no one cares about, but not one for Seira-tan?!

**Seira:** Yep. No route.

**Seira:** Like hell, ya big dummy! [*Full-Force Swing*]

**Neidhardt:** Gah-lurrrgh-phone! [*Violently Coughing Up Blood*] Damn it! It's rated R (18+) and there are no sexy scenes? That's a scam! I demand an apology and compensation! 丶(Д')丶

**Seira:** It got a R-rating not because of anything sexy, but because it's gory, dude. It's like they're "pushing the limits of console games!" ♪

**Neidhardt:** So does that mean the guy inside me is gonna suffer even more...?

**Seira:** Of course! They might get imprisoned, tied up, riddled with bullets, or even kill some people.

**Neidhardt:** I'm depressed... They said that the individual scenarios were added and that it would be a "delusional science adventure." I thought it would become a Harem love game, for sure... Unforgivable, 5pb. and Nitroplus!

**Seira:** But, but, there seems to be an increase in lewd stuff-ish scenes.

**Seira:** There it is! Neidhardt, you're totally keeping up with my expectations, as usual. ♪

**Neidhardt:** They're trying to make "Reverse Chocolate (lol)" a thing lately, but I can only say "Don't push it"

**Seira:** Isn't that the one where guys give girls chocolate instead?

**Neidhardt:** It's all part of the candy companies' conspiracy, I tell you! They've done a terrible thing! Men everywhere are taking mental damage and are on the verge of death! The Japanese Archipelago is a hellish landscape of despair and corpses!

**Seira:** What do you mean?

**Neidhardt:** Reverse Chocolate is a tragic ending for both the guy giving it and the girl getting it unless a certain, absolute condition is met.

**Seira:** Ooh, that sounds interesting. What's the condition?

**Neidhardt:** *But it only applies to good-looking guys.*

**Seira:** Really? I think girls are happy to receive chocolate from anyone, as long as it's something sweet. Of course, it's the best when it's from someone you like, though.

**Neidhardt:** You're too naive! Too naive! (Pun intended with Chocolate)

**Seira:** Who told you to make a joke? (lol)

The mystery has been solved.  
In Chaos;Head H,  
Neidhardt

## The Right to Love Chu☆Chu!

March 25, 2010

I got it! I got the right to Chu☆Chu! Woo-hoo! Harem games are the best! My heart is pounding! Fuhifi lolol

Finally, the staff at 5pb. and Nitroplus noticed that I'm right. I've been saying this for the past two years. Those incompetent staff members, it took you way too long to notice, common sense, you know?

And while I'm at it, let me point out another thing I don't like. I'm a man who doesn't compromise when it comes to moe! (Kiri!) The staff should listen to my valuable opinion while sitting seiza (kneeling) naked.

What I don't like is the title! The *title*!  
What's with Love Chu☆Chu!? It's too lame. The whole of America would cry when hearing that level of lameness.  
Because of that, I couldn't pre-order it at the store! It's too embarrassing! Don't mess with me, and die!  
Don't tell me you forgot that the title I demanded two years ago was *Cosmos Head!*  
I will never forgive them for the title. Never!

Now, I should get back to the Chu☆Chu work. I'm gonna stay up all night today. Fuhifi

## Byaaaah lewd stuff Hyaaa

April 14, 2010

I got it! I got the latest Seira-tan figure that I have been waiting for!

Seira-tan is the best! The quality is so high! Hyohoooh! It's getting hot! Fuhiihi www

Well then, let's take my time to admire all her angles, you know what I mean?

Woah, this outfit is too sexy. They even faithfully recreated the chest bumps. But that's what makes it great.

Fuhiihi. This face is so cute, the accuracy to the original is great. The subtle sexiness is amazing, isn't it? I mean, her sexy face is too perfect, please marry me! Hyooooh!

Okay, now for what we've all been waiting for, let's check out the panties. Let's see here...

Wait, this angle is way too danglewd stuffus! Panty shots are way too revealing, it's unforgivable! Her underboobs are all out! It's like Seira-tan is seducing me! I'm ready for anything! *Haa Haa* ( ; 'Д` )  
But stand by. Stand by. It's not time to panic yet.  
Now, I must return to the work of casting off.

W-Woah, s-sugeh, fuhihhi, it's really awesome!  
The quality is too high!!!  
Haaaa, I wanna sniff Seira-tan's armpits. I  
wanna huff and puff her sweaty armpits. And  
lick them! Lick them, I tell you!  
... *Sigh*  
So, this might be the ultimate masterpiece,  
wouldn't you agree? Orchid Seed is a god!
